

The warm and inviting charm of *Compassionate Cottage* is evident throughout. Spacious bedroom suites allow plenty of room for residents to showcase precious keepsakes or antiques blending the right touch of old and new. Each bedroom suite includes its own attached bathroom with handicapped-accessible walk-in shower.

The comfortable bedroom suites and the common areas at *Compassionate Cottage* provide an environment to relax and socialize. The setting offers residents a time to visit with family and friends or enjoy moments of quiet time.

The open setting of the kitchen, dining room and living room area is enhanced by the warmth and glow of the fireplace.

Compassionate Cottage, LLC

Assisted Living Residence
Where our residents are
treated like family

Caring and Sharing...

Compassionate Cottage offers 24-hour customized living services specifically tailored to the needs of each resident. At the Cottage, we make it inviting and comfortable to engage in shared meals, movies, music, and other person-centered activities. We focus on putting our residents first in everything we do.

The custom-designed Cottage features a four-season porch and deck with the restful sounds of a flowing fountain in the background. The entrance to the Cottage features an open patio surrounded by professional landscaping. A swing and other seating areas encourage relaxing and visiting while enjoying the outdoors.

Cozy home setting...

Compassionate Cottage is equipped with the latest technology, including a state-of-the-art security system. Each private bedroom suite includes cable, internet, and Wi-Fi access. Family members can stay in touch and even enjoy a “virtual” dinner with a resident via our internet technology.

Cottage Features:

- Two charming residential homes
- Nine private bedroom and bathroom suites in Cottage I and ten private suites in Cottage II
- Cable, Internet/Wi-Fi access in all suites
- Patio area to enjoy flowers and bird watching
- Inviting open kitchen and dining area
- Richly-decorated living room
- Safe room for inclement weather
- Security system
- Internet technology - “virtual” family visits

Welcome policy for family and friends
